

15 May 2020

Dear Parents/Carers

The Prime Minister has announced that secondary schools may, some time after 1 June, be able to offer some face to face contact with year 10 and 12.

This means that, apart from Year 12, Hampton Gardens will continue to be only open to vulnerable students and children of key workers, for the time being. A guide for parents regarding the reopening of schools and the definition of the groups of students who can attend the school has been published by the Department for Education earlier this week can be found using the link below:

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>.

If you fall into one of these groups and now need to send your child/children into school when you have not previously please contact us at enquiries@hamptongardens.org.uk. We would appreciate you giving us as much notice as possible so that we can ensure we have sufficient personnel and resources in place to cater for the students as safely as possible

The proposed reopening of schools does have an effect on Hampton College who have been hosting us on their site since the Easter holidays. Because of the potential increase in numbers of students at both schools, I have taken the decision that we will be moving back to the Hampton Gardens site on 1 June. I would like to take this opportunity to thank Mr Gilligan and his team for making us feel very welcome.

Year 12 Students

We will not know until very near 1 June whether the public health conditions will have been met to trigger wider school attendance and so we will be in touch on 1st or 2nd June in order to provide more information regarding scheduling when Year 12 will be invited in and how that might work. As always, the safety of our students and staff remains our priority.

Yours sincerely

Mr A H Greenwood
Head of School
