

Coming back to school

School has been closed because of Coronavirus.

Being at home has kept me safe.

Coronavirus is not spreading as fast as it was.

It is now safe to go back to school.

Going to school is important.

Going to school is good for me.

When I go back to school, I will get to see my friends.

When I go back to school, I will get to see my teachers.

It is OK to feel worried or anxious about being back at school.

If I feel worried or anxious, I can talk to my teacher or TA.

My teachers and my TAs want me to be safe and happy at school.

It is good to be happy.

New rules at school

During Coronavirus my school put in place new rules.

It is very important to follow these rules.

My teacher will explain the rules when I come back to school.

I will follow the rules to be safe and to keep my friends safe.

I will stay in my group.

I will wash my hands.

I will keep the distance from my friends, my teachers and my TAs.

Rules are in places to keep all of us safe.

Being safe is important.

Being safe makes us happy

It is good to be happy.
